INFORMATIONAL TECHNOLOGY**

**Village Hall IT**

Description

Information Technology (IT) is utilized to budget, plan and perform the maintenance, upgrade and replacement of the Village information technology related systems under the guidance of the Village's Technology Committee.

IT encompasses all of the Village's computer and telecommunications. This includes the telephone system, cell phones, laptops, desktop computers, servers, Local Area Network (LAN), Wide Area Networking (WAN), and most software applications. Telephone and computer networking interconnects the Village Hall with the Village's Police department and all South Shore Fire & Rescue stations through a central network.

IT negotiates, implements, and maintains telecommunications contracts, computer maintenance contracts, technology licenses and technology related professional memberships.

An Internship program provides valuable work experience for technology students from local colleges.

LAW ENFORCEMENT**

The Mount Pleasant Police Department proudly serves the village with 54 sworn officers and 9 civilian staff members. Through September of this calendar year, we have seen an increase in the nature of calls that require time-intensive follow up from our detective bureau; such as financial crimes, and computer and technology related criminal activity. We continue to see rapid growth in the Village and are in the beginning stages of accelerated growth throughout Mount Pleasant due to Foxconn and other companies calling Mount Pleasant their home. The current and future growth rate is unprecedented and will dramatically affect our calls for service, and the demands placed on our sworn and civilian personnel. In addition to adapting to this rapid growth, we continue to combat the heroin epidemic as well as human trafficking in the area. The heroin/narcotic epidemic has challenged the police department. All of our patrol squads are equipped with Narcan and defibrillators to assist us in life saving measures. The proliferation of fentanyl and carfentanyl has required officers to be more vigilant when encountering people in medical emergencies as well as unknown substances.

I believe it to be an honor to protect and serve the people of Mount Pleasant. It is a very exciting time for this village and we sincerely wish that 2019 is safe and productive for our residents, the village, and our employees. The devoted men and women of the Mount Pleasant Police Department will strive to make this become a reality. Our community is strongest when trusting partnerships have been established between its' law enforcement professionals and the citizens they are sworn to protect. To do this effectively, we must continue to collaborate with our community members and build mutual trust. Our Community Oriented Policing Unit continues to make great strides in establishing a sense of community and mutual respect between the department and our citizens.

The men and women of the Mount Pleasant Police Department have proved to be extremely dedicated and hard working. They strive daily to make sure the communities in Mount Pleasant are safe for our residents, and our schools offer a positive and safe learning environment for our future.

**Description**

The South Shore Consolidated Fire/EMS Department provides fire suppression, advanced life support emergency medical services, fire inspections, and community education regarding fire safety issues for the Village of Mt. Pleasant and the Village of Sturtevant. It also provides fire suppression and advanced life support emergency medical services for the Village of Caledonia through an automatic aid agreement and shares a fire station with them at 9433 Northwestern Avenue.

South Shore Fire Department is a member of the Mutual Aid Box Alarm System (MABAS) Division #102 and a member of the Racine County Water Rescue Response Team (RCWRRT), which is a multiagency countywide dive and rescue team.

BUILDING INSPECTIONS**

**Inspections**

Description

The Inspection department provides an orderly examination and overview of all building and construction functions on both existing and new structures throughout the Village. This includes the overview of the entire construction process of new homes and additions to existing homes. In addition, the Department is in charge of the inspections of major commercial and industrial developments throughout the community.

State, Village and general National building standards, which are enforced consistently for each development, new structure or rehabilitation's, govern all inspections.

**Public Works Administration**

**Description**

The Public Works activity is governed by the Public Works Committee consisting of two Village Trustees and three citizen members which meet on a monthly basis, (i.e.), the second Thursday of the month at 7:30 AM. The Director of Engineering works closely with the Public Works Committee in recommending and developing Capital related projects as well as yearly paving requirements, handling the day-to-day operational needs for the Village roads (streets) and establishing a work list of priorities. In addition, the Planning Director facilitates input in the long range planning for street design requirements and the anticipation of future bike paths within the Village's road network. The Highway Department participates in the monthly committee meetings providing status report information and other work related requirements. The Director of Engineering reviews and approves all developmental plans to assure that the plans meet all Village standards and specifications per ordinance, as well as other State regulatory agency standards and statutory laws are in compliance. This position interacts with the Planning Department, Storm Water Commission, Sewer Utility, Building Inspection, Village Administrator, and Village Board Members as well as county and state agencies on a regular basis and reports directly to the Village Administrator (currently the Village President). In addition to the internal reviews, the Director of Engineering works directly with our consultant Engineering firm in assuring all developmental projects are being controlled and managed, so that the final development is built according to Village standards and specifications.

PUBLIC HEALTH SERVICES**

**Health and Human Services**

**Description**

According to the Intermunicipal Agreement, the Board of Health constitutes the policy making body for the Health Department and exercises authority over financial and personnel matters. The Board of Health annually develops and adopts a budget. The Municipalities share all the costs of the Health Department on a per capita basis (using the Wisconsin Department of Administrations' population estimate for each Municipality from the most recent available year). Any increase in the levy portion of the budget exceeding the average percentage of net new growth of Municipalities requires the approval of the majority of Municipalities. The Board of Health is responsible for operating and maintaining at least a Level II Health Department to jointly serve the Municipalities.

STORM WATER DRAINAGE UTILITY  
ANNUAL OPERATING BUDGET 2019****Storm Water****Description**

This activity is governed by the Storm Water Utility Commission consisting of two Village Trustees and three citizen members. The Commission elects its own President, Secretary, and Treasurer. The Storm Water Utility holds meetings on the second and fourth Thursday of each month at 3:30 PM.

The Commission employs a Utility Manager to provide technical assistance to the Utility in reviewing and approving all development projects and to facilitate day-to-day activities. This ensures that storm water standards and their specifications meet local and state agency guidelines and statutory requirements.

The Utility Manager is also assisted by an Engineering Technician and consultant engineering firms.

In addition, the Utility handles and reviews day to day citizen and business concerns relating to storm water management procedures and practices and authorizes corrective action when required.

ANNUAL OPERATING  
PARKS****PARKS****Description**

The Village of Mount Pleasant presently operates nine parks totaling over 300 acres of parkland offering a wide variety of recreational activities. Our parks contain baseball diamonds, trails, shelters, and picnic facilities. Generally, parks are available on a first-come, first-served basis. The Campus Park and Greenwood Family Playground are currently under construction . Activities and events will take place in 201p on this site. Current staffing includes a parks administrator that oversees the day to day operations of the Village parks . This is a part-time position and coordinates with the DPW Supervisor on addressing the needs of the parks. In the field is one 3/4 employee and an additional part-time employee. All mowing for the parks is contracted out and has been that way since 2012. Our recreation department currently utilizes the village parks to operate its programs.

## **Recreation**

### **Description**

The Recreation Division provides activities for the entire community. Programs are provided in a variety of areas and continue to expand as the community grows. Current programs include:

Morning and afternoon Playground programs at Drozd Park, Stewart McBride Park, and Smolenski Park for kids ages 4 to 13. We also offer a free drop in playground program in the afternoons at Polzin Park, Lake Park and Sheridan Woods for kids 6 to 13. We serve over 300 kids in these playground programs. We participated in the 4th of July Parade this year for the 1st time and had 25 people (kids, parents and staff) walk with our float. We plan to do this annually.

Our softball program is for kids 4 to 18 years old and averages 500+ youth annually; We also provide Kickball and Sand Volleyball that has anywhere from 50 to 100 kids that attend each year.

The recreation program has been able to offer additional programs with the partnership of local business within Racine County. Currently the Village offers golf, tennis, basketball, soccer, volleyball and sports performance clinics throughout the summer.

This year we started hosting free Movies in the Park nights for families within the community at Smolenski Park and Polzin Park. We put on 5 movie nights in 2018.

In order to keep our programs affordable and provide essential supplies for our programs we partner with local businesses through our Donation/Signage program. For the year 2018, we were able to raise over \$20,000.

**Description**

The Police Department has been diligent in securing grants. Alcohol and Speed Enforcement Grants. This award comes from the WI Bureau of Transportation Safety. The State of Wisconsin has identified the Village of Mt. Pleasant as high-volume traffic area and has provided us funding for traffic enforcement and equipment.

We also continue to receive grants for replacement bullet-proof vest for our officers.

The Department will continue to see grant funding as it becomes available.

Description

Tax Incremental District No. 1 (the “District”) was created by the Village of Mt. Pleasant under the authority provided by the Wisconsin Statute Section 66.1105. The Joint Review Board approved the District September, 2006. The District is created as a "Mixed Use District".

The District No. 1 is located on approximately 495 acres of land just east of I-94 on lands lying both north and south of STH 20 and west of Highway V. The Village of Mt. Pleasant intends that Tax Increment Financing (TIF) will be used to assure that a combination of private industrial, commercial and residential development occurs within the District consistent with the Village’s development objectives.

ANNUAL OPERATING  
SEWER UTILITY**

**Sewer**

**Description**

The responsibility of Mount Pleasant Sewer Utility District #1 is to provide sewer service to Village of Mount Pleasant residents, industry, public and commercial customers. Service is provided through a network of 165 miles of sewer mains. A manager, assistant manager, and three utility personnel provide this service. Operations are financed through user fees that are approved by the Village Board.
